Intentional  
*intergenerational*  
living

Indian culture has always been rooted in certain values – *togetherness, belonging* and learning from our *elders*.

With time has come the need to balance these values with the evolving needs of families – *privacy, individuality* and the importance of *personal space*.

Embracing *tradition* to offer a unique approach to intergenerational community living, Estate 360 honours the needs of *adults, families with children, and seniors*.

## *A vibrant ecosystem that...*

Instills values of empathy, kindness and service in the young, and sensitises them to the concept of healthy ageing

Provides seniors with companionship, emotional support and a sense of safety. Helps seniors develop a deeper understanding of young people.

## A vibrant ecosystem that...

Improves children's language development, reading and social skills through interaction with older people

(James Tapper, 2019)\*

Facilitates better physical health and a higher degree of satisfaction in life through increased social contact

The on-site wellness centre is staffed with a trained nurse, on-site paramedics, and an ambulance for your peace of mind.

### Care at Home managed by Antara Senior Living

Receive personalised medical care from trained professionals in the comfort and safety of your home.

### Early Learning Centre managed by Learning Matters

Nurture your child's development with an enriching curriculum designed to foster creativity and learning through play and hands-on engagement. Programs include First Steps (for ages 2+ to 4 years), Right Start (for ages 4 to 5 years) and the Parent-Toddler Program (for ages 18 months to 2+ years).

Embodying our spirit of community,  
Estate 360 is a culmination of  
*meaningful collaborations* between  
thought leaders in architecture  
and design.
