A world within a world

Welcome to Pioneer Park, a world that fosters a community with varied colours and shades to offer. Pioneer Park is designed with a vision to develop a vibrant center of urban life: a vision to become a premium residential community, and exclusive corporate address and a year round entertainment destination. And it's waiting for YOU to be there. Located on the premium Golf Course extension road, Pioneer Park will be a distinctive place to live, work, shop and play, today and in the future.

With more than two decades of experience in real estate development, Pioneer Urban has been creating the foundations for making living an extraordinary experience.

Under the leadership of Mr. Manish Periwal, Pioneer Urban has conceived, implemented and delivered many top of the line real-estate developments.

People, places and experience are the ingredients for the recipe that makes Pioneer Urban what it is today. It is a name that stands for trust and reliance that is backed by a team of seasoned professionals, including architects, engineers and marketing specialists, native to the real estate industries who deliver what they promise.

Pioneer Urban has already developed above 600 acres of land which landmark properties like South City II, Greenwood City, Vista Villas and Nirvana Country.

Present projects include nearly nine million sq feet under construction in Gurgaon comprising Residential Condominiums like The Close, Fresco, Escape and Harmony and Commercial and retail complexes like Arcadia, Business Zone and Nirvana Courtyard.

With the commitment to build projects that surpass all expectations, Pioneer Urban has partnered with renowned international architects like SOM (Skidmore, Owings & Merrill) and Callison Inc. for designing their projects.

To truly achieve the status of globally competitive product creators Pioneer Urban as a company believes in adopting the three values of Innovation, professionalism and integrity. And as a socially responsible the company has created a brand that is ecologically viable and environmentally conscious.
