

THE
VERANDAS

Overview:-

Welcome to Verandas, Luxe apartments by SALCON. The Vast, airy spaces characterise Verandas. All rooms open out to reveal a veranda. Also, every unit has access to a large terrace garden. So get closer to nature, and mingle over leisurely daytime brunches or under breath-taking starlit skies. Even when you step outside, The Verandas Club lounge and restaurant are yours to unwind. And the Central Landscaped gardens are perfect for grand celebrations. Strategically located on the DLF Golf Course Road, one of the most sought after destinations for Quality Housing in Gurgaon today. At The Verandas, pamper yourself with the comfort and luxury that abound in the bathrooms and kitchen. Well-designed, ergonomically sound and incorporating only superlative brands. The Verandas offer you, by far, the best specification in India.

Welcome to a home that lets you live and celebrate, life to the fullest. These incredibly spacious apartments come in 4, 5 and 6 bedroom variations. There are 6 towers with a total of 192 homes spread out on just over 9 acres. Each home has balconies that span the length of either side of the home, providing greenery and open spaces and all of them include at least one terrace space per floor. Apartments come with two staff rooms and a large utility balcony. All the rooms lead off of a long hallway that spans the length of the apartment, down the middle. Most rooms have a dressing areas and the last room has been provided with the option of turning it into a family room. All buildings (and thus all apartments), have views of both the service road that follows round the perimeter of the complex as well as a view of the internal green areas which house the pool, spa, tennis courts and other such amenities. There are three X 4 Bedroom unit apartment buildings; two X 5 Bedroom apartment buildings and 1 X 6 Bedroom apartment building, with two units per floor. Take a look at the meticulously planned Apartment Layouts.
